Dear Erwin:

Many thanks for your letter of November 25 together with your MRAC bulletin No. 11, which I have read over with great enjoyment.

I certainly do recall you very well and I hope we are much nearer today our next meeting than we are to our last meeting!!

Please convey to your members my heartiest congratulation upon your 25th anniversary of affiliation with the ARRL on December 5th. You have established a remarkable record of continuity of existence. You are especially to be commended for your persistence in upholding the spirit of amateur radio through the years, and especially since Pearl Harbor.

Good luck for another 25 years. I shall look forward to visiting you all when the lights go on again all over the world and we get back on the air.

With kindest regards, +73,

George W. Bailey
